SHAPING SAUDI GLOBAL LEADERS

“ It is my great pleasure to welcome you to Al Yamamah University. We constantly strive to open doors of opportunity to our students and are committed to doing our utmost to help them achieve their goals throughout their studies and in their career. We, at Al Yamamah University, aspire to become a leading academic institution that is dedicated to connecting theory with practice, providing international exposure, and leveraging creative and innovative educational solutions to our students.

At Al Yamamah University, we are dedicated to helping you succeed and reach your full potential, but this requires hard work and self-discipline on your part. Let us work together, then, to nurture your passion for learning and discovery, with the shared aim of contributing to the betterment of society.”

Prof. Dr. Hussam Ramadan
President

Masters` Programs

Al Yamamah University offers a wide range of graduate programs that emphasize the development of critical thinking and the effective integration of theory and practice, while providing students with sophisticated tools and techniques for analysis and decision making to promote effective leadership traits.

Executive Master of Business Administration (EMBA)

- 20-month long master program for experienced senior professionals with management experience.
- Operated in partnership with Washington State University, where EMBA graduates receive a Postgraduate Diploma from WSU in addition to the certificate from YU.
- Offered through an intensive module-based (block) system, where students meet for 5-6 daily for 5 consecutive days every month.

Master of Business Administration (MBA)

- 18-24 month long master program offered to individuals in the early stages of their professional careers.
- During the semester, students meet for evening classes, 3days/ week .
- Students have the option to take the WSU elective courses and earn a postgraduate diploma in one business discipline.

Master of Human Resources Management (MHRM)

- 18-24 month long master program offered to individuals who are interested in pursuing and further developing their managerial skills in the Human Resources field.
- During the semester, Students meet for evening classes, 3 days/week.
- Students have the option to take the WSU elective courses and earn a postgraduate diploma in one business discipline.

Master of Management Information Systems (MMIS)

- 18-24 month long master program offered to individuals who are keen on accelerating their leadership and technical skills in the information technology management field.
- During the semester, students meet for evening classes 3days/week.
- Students have the option to take the WSU Business Analytics or Project management postgraduate diploma in this program.

Why Al Yamamah Master's ?

International Exposure

Al Yamamah University master's programs are jointly delivered with internationally notable universities, in which professors regularly fly from their home countries to Al Yamamah campus in Riyadh.

Experiential Learning

Experiential learning and case-study methodologies are applied in all postgraduate programs to unleash the full potential of our future leaders.

Flexible Timing

To accommodate working professionals' schedules, all courses are offered on YU campus in the evenings and/or on weekends.

International Collaborations

Al Yamamah University is responding to **Vision 2030**'s call for cultivating global leaders who are capable of building a strong, and diversified economy. Therefore, YU maintains its collaborations with leading academic institutions globally to promote innovation and international exposure as part of its Masters' degree programs.

Al Yamamah University is in collaboration with MIT Professional Education. MIT faculty members travel to Riyadh to teach in the EMBA program. EMBA students at Al Yamamah University will be granted certificates from MIT Professional Education.

Al Yamamah University is in collaboration with the Washington State University where faculty members from WSU travel to Riyadh to teach in the EMBA, MBA, MHRM, and MMIS programs. Master's students have the opportunity to receive a postgraduate diploma from WSU in various disciplines including leadership & management, finance, marketing, project management, and business analytics.
